WISDOM | SHARING HOPE | FOLLOWING JESUS

The Book of Proverbs forms part of what is known as the Bible's "Wisdom Literature", and it is to Proverbs that we turn as we enter 2019. We'll look at four key themes found in this great work that speak of what it means to live wisely.

Following this, we'll look at the theme of 'hope'. Part of our church vision is "Sharing Hope", through our lives and our communal life together. This series will look afresh at what it means to hope; the role of hope in our ongoing journey of faith; and what it looks like to share that hope with others.

"Following Jesus" is another strand of our vision. As we enter Lent, we'll spend time in the Gospels, being inspired again by Jesus' invitation to follow him in the great adventure of faith.
